

**ATTACHMENT J-36**  
**OPERATIONAL EFFECTIVENESS FACTOR REQUIREMENTS AND STANDARDS**

The following tables identify the requirements and associated standards for the operational effectiveness factor/subfactor/criteria combination that shall be evaluated by the Technical Evaluation Team. These requirements and standards are imported directly into the Evaluator's Analysis Worksheet by EZSource for each factor/subfactor/criteria combination. Note: Attachment J-33 is the Legacy Deepwater System Modeled Operational Effectiveness.

**A. Operational Effectiveness Factor.**

**1. Fully Implemented Subfactor.**

**a. Total Patrol Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Patrol	NE Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
SE Region, Total Patrol	SE Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
W Region, Total Patrol	W Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
AK Region, Total Patrol	AK Region, Total Patrol Legacy Performance Measure as described in Attachment J-33

**b. Total Search Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Search	NE Region, Total Search Legacy Performance Measure as described in Attachment J-33
SE Region, Total Search	SE Region, Total Search Legacy Performance Measure as described in Attachment J-33
W Region, Total Search	W Region, Total Search Legacy Performance Measure as described in Attachment J-33
AK Region, Total Search	AK Region, Total Search Legacy Performance Measure as described in Attachment J-33

**c. Total Identification Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total ID	NE Region, Total ID Legacy Performance Measure as described in Attachment J-33
SE Region, Total ID	SE Region, Total ID Legacy Performance Measure as described in Attachment J-33
W Region, Total ID	W Region, Total ID Legacy Performance Measure as described in Attachment J-33
AK Region, Total ID	AK Region, Total ID Legacy Performance Measure as described in Attachment J-33

**d. Total Prosecute Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Prosecute	NE Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
SE Region, Total Prosecute	SE Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
W Region, Total Prosecute	W Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
AK Region, Total Prosecute	AK Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33

**e. Air Score Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Air Score	NE Region, Air Score Legacy Performance Measure as described in Attachment J-33
SE Region, Air Score	SE Region, Air Score Legacy Performance Measure as described in Attachment J-33
W Region, Air Score	W Region, Air Score Legacy Performance Measure as described in Attachment J-33
AK Region, Air Score	AK Region, Air Score Legacy Performance Measure as described in Attachment J-33

**f. Surface Score Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Surface Score	NE Region, Surface Score Legacy Performance Measure as described in Attachment J-33
SE Region, Surface Score	SE Region, Surface Score Legacy Performance Measure as described in Attachment J-33
W Region, Surface Score	W Region, Surface Score Legacy Performance Measure as described in Attachment J-33
AK Region, Surface Score	AK Region, Surface Score Legacy Performance Measure as described in Attachment J-33

**2. Calendar Year 2004 Subfactor.****a. Total Patrol Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Patrol	NE Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
SE Region, Total Patrol	SE Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
W Region, Total Patrol	W Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
AK Region, Total Patrol	AK Region, Total Patrol Legacy Performance Measure as described in Attachment J-33

**b. Total Search Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Search	NE Region, Total Search Legacy Performance Measure as described in Attachment J-33
SE Region, Total Search	SE Region, Total Search Legacy Performance Measure as described in Attachment J-33
W Region, Total Search	W Region, Total Search Legacy Performance Measure as described in Attachment J-33
AK Region, Total Search	AK Region, Total Search Legacy Performance Measure as described in Attachment J-33

**c. Total Identification Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total ID	NE Region, Total ID Legacy Performance Measure as described in Attachment J-33
SE Region, Total ID	SE Region, Total ID Legacy Performance Measure as described in Attachment J-33
W Region, Total ID	W Region, Total ID Legacy Performance Measure as described in Attachment J-33
AK Region, Total ID	AK Region, Total ID Legacy Performance Measure as described in Attachment J-33

**d. Total Prosecute Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Prosecute	NE Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
SE Region, Total Prosecute	SE Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
W Region, Total Prosecute	W Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
AK Region, Total Prosecute	AK Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33

**e. Air Score Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Air Score	NE Region, Air Score Legacy Performance Measure as described in Attachment J-33
SE Region, Air Score	SE Region, Air Score Legacy Performance Measure as described in Attachment J-33
W Region, Air Score	W Region, Air Score Legacy Performance Measure as described in Attachment J-33
AK Region, Air Score	AK Region, Air Score Legacy Performance Measure as described in Attachment J-33

**f. Surface Score Criteria**

<b>Requirement</b>	<b>Standard</b>
--------------------	-----------------

Source Selection Sensitive See FAR 3.104

NE Region, Surface Score	NE Region, Surface Score Legacy Performance Measure as described in Attachment J-33
SE Region, Surface Score	SE Region, Surface Score Legacy Performance Measure as described in Attachment J-33
W Region, Surface Score	W Region, Surface Score Legacy Performance Measure as described in Attachment J-33
AK Region, Surface Score	AK Region, Surface Score Legacy Performance Measure as described in Attachment J-33

### 3. Calendar Year 2007 Subfactor.

#### a. Total Patrol Criteria

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Patrol	NE Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
SE Region, Total Patrol	SE Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
W Region, Total Patrol	W Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
AK Region, Total Patrol	AK Region, Total Patrol Legacy Performance Measure as described in Attachment J-33

#### b. Total Search Criteria

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Search	NE Region, Total Search Legacy Performance Measure as described in Attachment J-33
SE Region, Total Search	SE Region, Total Search Legacy Performance Measure as described in Attachment J-33
W Region, Total Search	W Region, Total Search Legacy Performance Measure as described in Attachment J-33
AK Region, Total Search	AK Region, Total Search Legacy Performance Measure as described in Attachment J-33

#### c. Total Identification Criteria

<b>Requirement</b>	<b>Standard</b>
NE Region, Total ID	NE Region, Total ID Legacy Performance Measure as described in Attachment J-33
SE Region, Total ID	SE Region, Total ID Legacy Performance Measure as described in Attachment J-33
W Region, Total ID	W Region, Total ID Legacy Performance Measure as described in Attachment J-33
AK Region, Total ID	AK Region, Total ID Legacy Performance Measure as described in Attachment J-33

#### d. Total Prosecute Criteria

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Prosecute	NE Region, Total Prosecute Legacy Performance Measure as described in

Source Selection Sensitive See FAR 3.104

	Attachment J-33
SE Region, Total Prosecute	SE Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
W Region, Total Prosecute	W Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
AK Region, Total Prosecute	AK Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33

**e. Air Score Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Air Score	NE Region, Air Score Legacy Performance Measure as described in Attachment J-33
SE Region, Air Score	SE Region, Air Score Legacy Performance Measure as described in Attachment J-33
W Region, Air Score	W Region, Air Score Legacy Performance Measure as described in Attachment J-33
AK Region, Air Score	AK Region, Air Score Legacy Performance Measure as described in Attachment J-33

**f. Surface Score Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Surface Score	NE Region, Surface Score Legacy Performance Measure as described in Attachment J-33
SE Region, Surface Score	SE Region, Surface Score Legacy Performance Measure as described in Attachment J-33
W Region, Surface Score	W Region, Surface Score Legacy Performance Measure as described in Attachment J-33
AK Region, Surface Score	AK Region, Surface Score Legacy Performance Measure as described in Attachment J-33

**4. Calendar Year 2011 Subfactor.**

**a. Total Patrol Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Patrol	NE Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
SE Region, Total Patrol	SE Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
W Region, Total Patrol	W Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
AK Region, Total Patrol	AK Region, Total Patrol Legacy Performance Measure as described in Attachment J-33

**b. Total Search Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Search	NE Region, Total Search Legacy Performance Measure as described in Attachment J-33

SE Region, Total Search	SE Region, Total Search Legacy Performance Measure as described in Attachment J-33
W Region, Total Search	W Region, Total Search Legacy Performance Measure as described in Attachment J-33
AK Region, Total Search	AK Region, Total Search Legacy Performance Measure as described in Attachment J-33

**c. Total Identification Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total ID	NE Region, Total ID Legacy Performance Measure as described in Attachment J-33
SE Region, Total ID	SE Region, Total ID Legacy Performance Measure as described in Attachment J-33
W Region, Total ID	W Region, Total ID Legacy Performance Measure as described in Attachment J-33
AK Region, Total ID	AK Region, Total ID Legacy Performance Measure as described in Attachment J-33

**d. Total Prosecute Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Prosecute	NE Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
SE Region, Total Prosecute	SE Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
W Region, Total Prosecute	W Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
AK Region, Total Prosecute	AK Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33

**e. Air Score Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Air Score	NE Region, Air Score Legacy Performance Measure as described in Attachment J-33
SE Region, Air Score	SE Region, Air Score Legacy Performance Measure as described in Attachment J-33
W Region, Air Score	W Region, Air Score Legacy Performance Measure as described in Attachment J-33
AK Region, Air Score	AK Region, Air Score Legacy Performance Measure as described in Attachment J-33

**f. Surface Score Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Surface Score	NE Region, Surface Score Legacy Performance Measure as described in Attachment J-33
SE Region, Surface Score	SE Region, Surface Score Legacy Performance Measure as described in Attachment J-33

W Region, Surface Score	W Region, Surface Score Legacy Performance Measure as described in Attachment J-33
AK Region, Surface Score	AK Region, Surface Score Legacy Performance Measure as described in Attachment J-33

## 5. Calendar Year 2016 Subfactor.

### a. Total Patrol Criteria

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Patrol	NE Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
SE Region, Total Patrol	SE Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
W Region, Total Patrol	W Region, Total Patrol Legacy Performance Measure as described in Attachment J-33
AK Region, Total Patrol	AK Region, Total Patrol Legacy Performance Measure as described in Attachment J-33

### b. Total Search Criteria

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Search	NE Region, Total Search Legacy Performance Measure as described in Attachment J-33
SE Region, Total Search	SE Region, Total Search Legacy Performance Measure as described in Attachment J-33
W Region, Total Search	W Region, Total Search Legacy Performance Measure as described in Attachment J-33
AK Region, Total Search	AK Region, Total Search Legacy Performance Measure as described in Attachment J-33

### c. Total Identification Criteria

<b>Requirement</b>	<b>Standard</b>
NE Region, Total ID	NE Region, Total ID Legacy Performance Measure as described in Attachment J-33
SE Region, Total ID	SE Region, Total ID Legacy Performance Measure as described in Attachment J-33
W Region, Total ID	W Region, Total ID Legacy Performance Measure as described in Attachment J-33
AK Region, Total ID	AK Region, Total ID Legacy Performance Measure as described in Attachment J-33

### d. Total Prosecute Criteria

<b>Requirement</b>	<b>Standard</b>
NE Region, Total Prosecute	NE Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
SE Region, Total Prosecute	SE Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33

W Region, Total Prosecute	W Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33
AK Region, Total Prosecute	AK Region, Total Prosecute Legacy Performance Measure as described in Attachment J-33

**e. Air Score Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Air Score	NE Region, Air Score Legacy Performance Measure as described in Attachment J-33
SE Region, Air Score	SE Region, Air Score Legacy Performance Measure as described in Attachment J-33
W Region, Air Score	W Region, Air Score Legacy Performance Measure as described in Attachment J-33
AK Region, Air Score	AK Region, Air Score Legacy Performance Measure as described in Attachment J-33

**f. Surface Score Criteria**

<b>Requirement</b>	<b>Standard</b>
NE Region, Surface Score	NE Region, Surface Score Legacy Performance Measure as described in Attachment J-33
SE Region, Surface Score	SE Region, Surface Score Legacy Performance Measure as described in Attachment J-33
W Region, Surface Score	W Region, Surface Score Legacy Performance Measure as described in Attachment J-33
AK Region, Surface Score	AK Region, Surface Score Legacy Performance Measure as described in Attachment J-33
